ARTICLE IV - CONTRACTOR'S LICENSE

Section 4.01. License Required. No person shall construct or repair a service line or construct or repair a public water or sewer line within the District without first obtaining a license to do so from the District.

Section 4.02. Application for License. Applications for licenses under these Rules and Regulations shall be filed at the office of the District on forms provided by the District.

Section 4.03. Requirements for Issuance of License. No contractor's license shall be issued by the District to any person until such person has made application for such license; has demonstrated competency by showing proof of a State of Colorado Plumbers License in good standing; has met each of the requirements of this Article IV; and has paid the fee set by the Board in the amount set forth in the Schedule of Fees and Charges set forth in Exhibit "B" which is attached hereto and incorporated herein by this reference (Amended August 8, 1988).

Section 4.04. Certificate of Insurance. Before the issuance of any contractor's license, the applicant shall file with the District a Certificate of Insurance stating that applicant is covered by public liability insurance with limits of not less than \$100,000 per person, \$400,000 per occurrence for public liability and \$10,000 for property damage, and having a deductible amount not to exceed \$10,000.

Section 4.05. Bond. Before the issuance of any contractor's license, the applicant shall furnish a good and sufficient bond in the amount of Ten Thousand Dollars (\$10,000.00) with a corporate surety approved by the Board of Directors. The bond shall be accompanied by the surety's power of attorney and shall be in a form to be approved by the Board of Directors.

Section 4.06. Workmen's Compensation Insurance. Before the issuance of any contractor's license, the applicant shall file with the District a certificate certifying compliance with the provisions of the Workmen's Compensation Act of the State of Colorado.

Section 4.07. Issuance of License. A contractor's license shall be granted by the action of the Board or its authorized representative and shall be valid for a period of one year, unless revoked as herein prescribed.

Section 4.08. Renewal of License. Licenses may be renewed by the District, upon application, if the work of the contractor, under a valid license, has been satisfactory to the Board or to its duly authorized representative, and upon the furnishing of a surety bond, certificate of liability insurance, certificate of compliance with the Workmen's Compensation Act of Colorado, and upon payment of the proper fee.

Section 4.09. Licensed Contractor Not to Allow Others to Use Name. No licensed contractor shall allow his name to be used, directly or indirectly, by any other person to obtain a permit to do any work within the District.

Section 4.10. Revocation of License. The license of any contractor licensed by the District may be revoked or suspended for such time as the Board shall determine for violation of these rules and regulations; for any lapse of any bond or insurance coverage required hereunder; or for the failure or refusal of the contractor to pay any outstanding obligation owed by the contractor to the District. The Board shall provide the contractor written notice, at the address of the contractor as shown on its license application, of the date, time and place for hearing on the issue of the revocation of the contractor's license not less than 5 days prior to the date of the hearing. The action of the Board at such hearing shall be final.
